Un1tee Presents:
GIFT For Young Adults
At Newbury Park Adventist Academy

"A brighter, healthier and happier future begins with nurturing the minds of today's young men and women, presenting them with options and allowing them to find their passion and life purpose; this we owe to our children and future generations."

Opening: Introducing the four pillars of GIFT for Young Adults:

- I. Self-exploration and discovery
- II. Practical applications
- III. Mentorship
- IV. Support Network

Program - Panel: GIFT Mentors/Presenters will represent areas of: Technology, Education, Entrepreneurship, Fashion and Design, Politics, Medicine, Community Advocacy, Law Enforcement, Professional Sports, Chamber of Commerce, and Financial Planning.

Interest Groups: After the general panel presentation students will have the opportunity to meet in small groups to learn more about their area of interest and ask questions.

GIFT Part I Student/Participant:

"I learned many important traits to keep me happy and successful such as staying true to myself and believing in my dreams."
